**ORDER REASSIGNING CASE**

This case was filed on December 29, 2000. Following the retirement of Hon. William T. Bodoh on January 4, 2004, it was assigned to the status of "Successor to Judge Bodoh" and according to the Memorandum of Understanding (MOU) signed January 12, 2004 by all Bankruptcy Judges in the district, it was temporarily reassigned to Judge Randolph Baxter for further adjudication. Judge Kay Woods was sworn-in on July 7, 2004 as the Bankruptcy Judge in Youngstown, Ohio. Judge Woods has a conflict of interest in LTV requiring the case to be assigned to another Bankruptcy Judge. Now that the interim period according to the MOU has been concluded, the LTV Steel Company, Inc. Chapter 11 case is hereby transferred to Judge Randolph Baxter, for full and final adjudication.

It is so Ordered.

Date: July 20, 2004
